Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 23 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy overnight, turning showery tomorrow.

This Evening and Tonight:
Rain and strong winds will continue to move northeastwards, gradually clearing into the North Sea shortly after midnight. Drier with clearer spells following on behind. Minimum temperature 4 deg C (39 deg F).

Monday:
Mostly dry start with showers developing widely during the afternoon, these may be heavy and possibly thundery late in the day, with the risk of hail. Breezy and feeling cool. Maximum temperature 14 deg C (57 deg F).

Outlook for Tuesday to Thursday:
Further showers on Tuesday, heavy and possibly thundery. Cloudier with outbreaks of rain on Wednesday. Turning drier, clearer and chilly overnight. Mostly fine and dry with sunny spells on Thursday.
